

2010 QuEST Forum Executive Board

Executive Contributor

Steven E. Pickett
President and CEO
Telmar Network Technology
www.telmarnt.com

Steven Pickett, president and CEO, joined Telmar Network Technology in 2007 as chief operating officer. Under his leadership, Telmar has expanded its product and service portfolio to bring comprehensive network and asset management and maintenance solutions to communications customers around the globe. Before joining Telmar, Mr. Pickett was senior vice president/general manager of the Optical Network Division at Alcatel-Lucent. Mr. Pickett also served as vice president of sales responsible for managing relationships with Alcatel North America customers, including SBC. Under his guidance, SBC and Alcatel successfully implemented the "Project Pronto" Broadband Services Initiative. Mr. Pickett holds a BSEE from Tufts University and an MBA from The Kellogg Graduate School of Management at Northwestern University.
