**Ed Rohlfs**

Vice President, Global Quality & Customer Service

ADTRAN, Inc.

<http://www.adtran.com/>

Ed Rohlfs currently serves as Vice President of Quality and as an Officer of ADTRAN, Inc., a leading manufacturer of telecommunications equipment. Prior to joining ADTRAN, Mr. Rohlfs had spent more than 31 years in key leadership positions with Western Electric, AT&T, and Lucent Technologies in the areas of quality and engineering. A critical element of his experience has been serving as the key interface with customers from around the world in the resolution of quality issues.
