Sue Clancy is President and CEO of BIZPHYX, Inc. the nation's leading TL 9000 and ISO 9001 quality management consulting firm. Over a decade ago, Sue leveraged 30 years of operations and management experience and co-founded BIZPHYX. She is a nationally sought-after speaker and trainer on topics such as TL 9000, supplier development and ISO quality standards. Sue shows other M/W/DVBE businesses how certifying to a quality standards can help them compete in Fortune 500 supply chains. She has delivered quality overview and supplier education sessions to nearly 1,000 small businesses and diverse suppliers.

BIZPHYX is a certified Women's Business Enterprise (WBE) and under Sue's leadership, has experienced substantial growth. BIZPHYX is now the nation's leading TL 9000 consultancy. As a result, The Women's Business Enterprise Council-Southwest nominated BIZPHYX as 2009 WBE of the Year.

Active in QuEST Forum, Sue is the 2011 Co-Chair of the QuEST Forum Jump Start Mentor Program and Co-Chair of the Small Business Group. Sue is also a member of the AT&T Women Entrepreneurs' Forum and the Americas Society of Quality (ASQ).
