Bharti Airtel

www.bharti.com

S.K. Sharma has over 30 years of experience in various industries across manufacturing as well as service sector.

His current assignment is with Bharti Airtel in the capacity of Head-Operational Excellence & Quality. S.K started with Bharti 8 years ago and that is where the journey of process excellence began in Bharti.

Before Bharti S.K's assignments were in varied businesses of GE for almost 13 years with last stint at GE capital as VP-Quality. Prior to that, he was with GE industrial system and medical system heading their Quality function.

By qualification S.K. is an engineer and he started his career as R&D expert on Induction motors and subsequently moved on to processes and quality. Trained on various quality techniques like SPC, TQM, he became the first Six Sigma certified Master Black Belt by GE in the country after a rigorous training and projects in GE, USA.

S.K. has mentored more than 2000 Six Sigma projects and implemented Six Sigma methodology in various manufacturing and service organizations.
