

QuEST Forum Staff

Don Irvine – Chief of Staff & Director of Marketing

Don Irvine has been with QuEST Forum since March 2008. Don is responsible for the daily operations of the QuEST Forum Management Team and the marketing efforts of QuEST Forum, including the TL 9000 Quality Management System and other associated products at QuEST Forum. Don's career spans 30+ years within the telecom industry with a balance of experience with both a telecom service provider (Sprint-now CenturyLink) and telecom suppliers (Vodavi & Samsung). In his position prior to QuEST Forum he served as Director, Product Line Management at Samsung Telecommunications America where he was responsible for all product management and market positioning for the company's Key Telephone Systems. Originally from central Florida, Don holds a BS Business/Marketing from the Rollins College, Winter Park FL. He has 2 grown sons and 2 grandsons, and he resides with his wife, Pat, in Plano TX.
