

UT Dallas Team Member

Candace Dominick – TL 9000 Administrator

Candace Dominick is the QuEST Forum TL 9000 Administrator. She performs day-to-day administration of the Worldwide QuEST Forum Customer Response Center. She processes the TL 9000 invoices, coordinates the bi-weekly QuEST Forum Production meetings, and manages the Worldwide QuEST Forum e-shop and shipment of handbooks.

Candace was employed at UT Dallas in 2000 as Customer Service Associate. In October 2009 she became the financial/budget analyst, who assists the CSEPI Institute Executive Director and Center Directors with internal administrative duties, contracts, policies and procedures, and human resources as well as in monitoring, administering, and coordinating the CSEPI Institute budgets and financial reviews. She attended Towson Strafford Business School.
