

# Join Me in My QuEST!

The QuEST Forum Member Referral Program

## QuEST Forum Member Referral Program

### **The Referral Program Duration:**

- The “Join Me in My QuEST” referral program will run indefinitely and will serve as the primary method for lead submissions by QuEST Forum members/member companies.
- The program will run concurrent with the “Join Me in My QuEST” referral contest that will run April 10 – September 10, 2015.

### **The Referral Program Rules:**

- This program is exclusive to active QuEST Forum members/member companies.
- All referrals that require a follow up from QuEST Forum staff must be submitted through the online tracking system at [www.questforum.org/member-referral-program](http://www.questforum.org/member-referral-program).
- If a referred business is ready to move forward with membership and does not require a follow up by staff, they must state who they were referred by in their membership application in order for the member/member company to receive credit.
- A company only receives credit for a referral submission if it results in a *new* membership from the referred company. All membership levels count; i.e. mega, full, affiliate and liaison.

### **The Referral Program Rewards:**

- Each closed submission results in 10% off the company’s dues for the following year. Example: 2 closed submissions in 2015 = 20% off 2016’s membership dues, etc.
