That's it!  
Next time, just  
click the icon.

# BlackBerry - From your web browser, type [www.eventmobi.com/2015americas/](http://www.eventmobi.com/2015americas/)

While in the browser, press the menu button and select Add Bookmark.

The Add Bookmark window will appear.

Scroll to the bottom and press Add.

Press the menu button again, scroll down and press Bookmarks.

The guide has been added to your list. Next time, just click on it.

## What is eventmobi?

EventMobi is a digital event guide. This free application provides attendees with access to conference information such as agenda, speaker bios, alerts, sponsors details, and maps.

The application works on any SmartPhone, tablet, or traditional computer and will continue to function if offline or out of wireless coverage.
